UPK

Parents who have a child enrolled in the Universal Pre-Kindergarten program and attend TLC five days for the full day will have their tuition reduced by the amount that NYS pays us for your child's 2.5 UPK hours, as NYS will pay \$230, \$235, or \$240 per month per child depending upon your school district. Each district sets their own amount. That is then broken down into a per week amount and applied to your statement. Children who attend TLC less than five days a week will have their tuition reduced by the appropriate daily amount. These reductions will only take place for 10 months from September to June when school is in session.

Lunch Fee: \$20 weekly, optional

Sibling Discount

15% off the fee of the lowest fee you are billed. For example, if you have a child in the infant room and a child in the TLC Threes room, you would receive 15% discount on the TLC Threes fee as that is the lower fee. The Sibling Discount does not apply to nor include children in the Kindergarten program, if the Center is hosting full day Kindergarten in any given year.

NOTE: Kindergarten is a separate program with its own fiscal policy and fee schedule.
